

MOVING OUT OF YOUR APARTMENT CHECK LIST

Step 1 Make sure you have a copy of the apartment check list so you know what things need to be completed before the inspection.

Step 2 Remove nails and cover up holes with wall puddy.

Step 3 Clean and scrub the interior of the refrigerator with warm soapy water and wipe dry. You may need to remove the drawers to reach everything.

Step 4 Empty completely and clean the cabinets and counter tops with warm soapy water.

Step 5 Thoroughly clean the stove/oven inside and out, as well as wipe hood vent.

Step 6 Remove spots from walls with Mr. Clean Magic Eraser wipes.

Step 7 Thoroughly clean the sinks and toilets in the home.

Step 8 Sweep, mop and vaccum floors.

Step 9 Scrub down bathtubs and showers with bleach.

Step 10 Clean the windows. Dust Ceiling Fans and light fixtures.
